ONE TIME AD

Interested in advertising to rehab therapy service providers in Ontario?

The ORA represents primarily small to medium sized healthcare businesses that employ healthcare providers including Regulated Health Professionals from all disciplines, social workers, personal support and rehabilitation support workers. We are the primary providers of rehabilitation to Ontarians seriously injured in automobile accidents.

Our mailing list consists of our member companies, as well as individual rehab providers, personal injury law firms, other health associations across Ontario and more, totaling 1400+ subscribers.
